Reception for Performers and Audience Immediately Following the Program

Open to all performing artists with a developmental disability living in Michigan, the Michigan Performing Arts Talent Show is a non-competitive, performing arts talent show where each participant is able to showcase their special talents and abilities before a live audience on a professional stage. All performers will receive a commemorative T-shirt and a ribbon that day.

All areas of performance that would normally be considered a performing art are welcome to participate. These would include, but are not limited to: ensembles and solos in instrumental and vocal music, dance, drama, baton and puppetry.

We would also like to encourage students with disabilities, who perform as a part of or in an inclusive ensemble, to participate with their group for the talent show.

Please note each act must limit their performance to four minutes due to time constraints.
